

Junior Journal

Theme: *Spring*

Language Arts: Our picture file will help develop our discussions about *spring*. It contains pictures of several things we will see outside to indicate that spring has arrived such as spring flowers, trees in blossom and baby animals. Our Theme Table will have many spring items to enhance our discussions.

Concept: Weather permitting, we will take a nature walk outside and look for signs of spring. We will discuss the difference between a mitten and a gardening glove. We will also be completing a seed sort to examine a variety of well-known seeds.

Craft & Writing: Watch for some *Spring* crafts to come home. We welcome our new season with flower and bug craft projects.

Motor: Once again, we will use the parachute to help the children develop eye/hand coordination. Hopefully, we will be able to go outside for gross motor development. Whether inside or outside, we will play a game of bean bags to develop eye/hand coordination and encourage taking turns.

Reminders and Upcoming Events

- Have you registered for the 2018-19 school year for our summer camp? There are spots still available. Request your registration form today!
- Summer Camp registration forms were sent home last month. Is your child signed up yet?
- Earn free tuition credits by referring a friend. Ask how!
- Hearing & Vision testing is April 9 and 10. All children will be tested and you will be charged, unless you decline this service.
- Have you signed up on the **REMIND** app to get emergency info regarding our center?

April 2, 2018

We will begin discussing the changes we will hopefully soon see to indicate that spring has arrived.

Please remember to dress appropriately for outdoor play.

Have a great week!

Mrs. Roxanne, Mrs. Nahla, Mrs. Rebecca and Miss Savannah

HAPPY BIRTHDAY

Adalyn Edwards 4/1

John Frederick 4/2
