Language Arts:

With the help of finger plays, flannel board stories, and songs, we will talk about all the different things that happen when we change seasons. Some of these stories include "It's Raining" and "Spring Colors". We will enjoy singing *Rain, Rain, Go Away*.

Concept:

If the weather permits, we will take a walk outside to enjoy the signs of Spring! We will add a seriation and a matching game involving rainbows to our shelf.

Craft & Writing:

We will be making butterflies and other spring crafts to help decorate our classroom and your house too! Watch for them to come home this week.

Motor:

The ball and wand will help with our eye/hand coordination. We will practice walking up and down the stair steps holding a stuffed animal and jumping into the hula hoop.

Let's celebrate
St. Patrick's Day!
Friday, March 16,
wear something green!

Theme

Spring

We are patiently waiting for our new season to arrive, **Spring**. We will talk about the changes in the weather, flowers blooming, birds returning, and the sun shining longer.

Have a great week!
