Theme: Spring/Easter
Weeks of 3/12, 3/19, & 4/2
Introduce: oval & rhombus
Bit Cards: Flowers

Happy Birthday to Aylin Crist 3/21!

We will celebrate St. Patrick's Day on Friday, March 16, so don't forget to wear green!

Our Spring color days will be on Thursday, March 22, and Friday, March 23. Please wear any color of the rainbow and bring in a piece of fruit to match. Also, look for the sign up sheet for our Easter party to be posted soon. Thank you!

Language Arts: We will discuss Spring and have lots of pictures in our picture file to look at. We will have some new flannel board stories like "Springtime Weather is Busy" and "It's Raining, It's Pouring." We will also learn new finger plays. The shapes oval and rhombus will be introduced.

Craft & Writing: For the next three weeks in art we will be talking about Spring and learning two new shapes oval and rhombus. We will also be painting an umbrella and a bunny.

Concept: For the next few weeks we will discuss Spring. Our counting activities will include counting leaves on trees, eggs in nests, and frogs in a pond. We will also take time to look outside and see what changes are happening around us. We will finish up with sorting tulips and matching the tops of the tulips to the bottoms. We also will incorporate our two new shapes oval and rhombus.
