Language Arts: Spring has sprung in Mrs. Debbie's room! This week we will discuss our new season and the many wonderful changes that it brings. We will learn that spring means not only rain showers, warmer weather, and more hours of daylight, but it is a time for new life as well. Our featured books for story time will be "Raindrop Plop" by Wendy Lewison and "Spring-New Life Everywhere" by Janet McDonnell. We will review the "at" word family and do some work with the "an" word family too!

Spring Time

The rain falls in a shower
The sun comes out and what do you know?
Up pops a flower!*
