Week 31 March 12th-16th, 2018

Theme: St. Patrick's Day & Colors

Language Arts:

"Oh, where oh where has my leprechaun gone? Oh where, oh where can he be? With his shamrock hat and his pot of gold, oh where, oh where can he be!" This week our class is celebrating St. Patrick's Day and exploring all of the colors around us. We will also read a few stories about colors and view pictures files.

Concept:

This is a fun filled week as

the children have fun reviewing with different color games. The children will have fun as we do our new pot of gold review game and our shamrocks seriation activity. The children will also enjoy St. Patrick's Day and gardening sensory bins.

Craft and Writing:

Our little artists will create a special project for St. Patrick's Day and also use a variety of mediums to create colorful art work.

Motor:

"You put your shamrock in, you take your shamrock out, you put your shamrock in, and you shake it all about". We will have fun dancing to one of our favorite motor songs "The Shamrock Pokey". We will continue our St. Patrick's Day celebration as we enjoy new special activities such as the rainbow run.
