Language Arts:

Spring is around the corner and so is St. Patrick's Day. What better way to celebrate both. "When the rain falls from the sky, don't forget to look up high. If the sun is shining there, you may see a rainbow fair" This is just one of the many finger plays and flannel board stories that we will learn. We will also have fun learning our new letters Qq and Rr.

Motor:

Leprechaun, Leprechaun turn around. Leprechaun, leprechaun touch the ground. Leprechaun, leprechaun, point to your

ears! The children will love this St. Patrick body play as well as continuing to enjoy the playground this spring. Please bring appropriate outerwear.

Concept

The juniors found the leprechaun rainbow! Rainbows and shamrocks will be our focus in these next two weeks.

Craft and Writing:

Let's have some extra fun with colors to make some rainbows for Mr. Leprechaun. We will be practicing writing and reviewing some numbers already learned. The children will also work

on finishing some art projects. As art fair gets near.
