

Junior Journal

Week 31

March 12-16

Theme: The Farm

Language Arts: The children have found the farm so interesting that we've decided to extend the topic another week. Flannel board stories and books will help to reinforce our theme. Mrs. Christine has been busy reviewing and reading stories with the children. We have been singing many different songs in preparation for our year end program. Some old favorites this week include the Echo Game and Who Am I?

Concept: The children head outdoors to go on a nature walk to observe signs of Spring. Ms. Barb has several compare and contrast activities on the agenda, one involving a tomato and apple, another a horse and a cow. Pop-pop-pop will be heard as the children use whisks in the water table. Ms. Barb will review number concept and recognition.

Craft and Writing: Ms. Hollie has more farm fun planned. The letters Qq and Rr will be introduced. Ms. Hollie has had the children working hard on name printing. Remember that only the first letter is a capital, please reinforce this at home.

Motor: Ms. Sam stays on theme this week with a fun game of Duck, Duck, Goose. The children will practice walking, turning and side-stepping on the balance beam. Our path activity will include use of the stairs and balance beam. A game of Freeze will add some fun to our week.
