

**Bobbie Noonan's Child Care  
Infant News  
April 9 – 20, 2018**

**Theme:**  
Colors and Shapes

**Language:**  
We will be reading stories about shapes, colors and rainbows.

**Craft:**  
Every day this week we will be talking about a different color and shape. We will be painting and coloring different shapes and at the end of the week we will create our own rainbow.

**Motor:**  
The children and I will be playing a matching game where they will have to try and match the color bean bag to the color on the floor by throwing or placing the bean bag on it.

**Finger Play of the Week:**

Draw A Circle

Draw a circle, draw a circle  
(Draw a circle with your pointer finger)  
Round as can be;  
Draw a circle, draw a circle,  
Just for me.  
Draw a square, draw a square  
(Draw a square with your pointer finger)  
Shape like a door;  
Draw a square, draw a square  
With corners four.  
Draw a triangle, draw a triangle  
(Draw a triangle with your pointer finger)  
With corners three;  
Draw a triangle, draw a triangle  
Just for me.  
(Point to yourself)

Have a great week!  
Mrs. Chrissy
