

MAY/JUNE NEWSLETTER

CLASSROOM NEWS

Another year is coming to a close. The end of the academic year brings with it many happenings and much excitement. The main point of interest at this time is the preparation for the year end music programs. The Junior, Pre-K and Kindergarten programs will be held at Prairie Junior High school in Alsip on Saturday, May 19th. Please arrive approximately 15 minutes before your child's program begins. Individual invitations with times will be sent out. With respect to their age, the Nursery class will not be participating in a formal musical program.

Final evaluations of the children are scheduled this month. The Kindergarten students will be given the Scholastic Readiness Assessment. As in the past, we will be sending a copy of the results and your child's medical information on to the first grade they will be attending.

The last day of school for children who are not attending summer camp is Friday, June 1st. The week of June 4th we are open for our daycare students only. Our Summer Camp session begins Monday, June 11th. At this time many children will be "moving up" into a new room. This is reserved for children attending summer camp only.

Our school picnics will be held on Thursday and Friday, May 31st and June 1st. All students are invited to attend. A picnic lunch for all will be served at 11:20.
