Language Arts: Many songs, stories, finger plays, puppet plays, and flannel board stories will enhance our *Farm* theme. Some titles will include, "The Big Red Barn," "Little Cow," and "Old McDonald Had a Farm."

Concept: The Concept jobs that include sorting farm animals and their homes by size, and one-to-one correspondence will be added to our shelf. To enhance our fine motor skills, the children will use sponges at the water table. We will also try bead stringing this week.

Craft & Writing: During this first week of *Farm*, we will create muddy pigs and yummy carrots. Our crayons and watercolor paints will be put to good use. Play-doh will enhance our fine motor skills.

Motor: This week we will be introducing a new game called "The Train Track Walk." The children will try to balance on colored tape walking from one end to the other. We will also try to spend as much time as we can outside on the playground. Closed toed shoes are recommended, as it combats any woodchips getting caught in little shoes.

Theme

Farm

We are going to be introducing the theme of *farm* this week. The children will have a lot of fun learning about farm animals.
