Theme: Insects/Spiders

Introductions: Review

LANGUAGE ARTS: The children may bring books, pictures or items all about *insects* this week. We will learn how they live, what they eat and which ones fly and other interesting facts about the differences of insects and spiders.

Along with our daily review, we will listen to stories about insects and the flannel board story "The Very Hungry Caterpillar" will be done.

CONCEPT: This week we will be looking at and comparing different types of insects. We will play an insect matching game and a group activity to review our numbers. If the weather permits we will go outside on a bug hunt, so please bring a plastic bug jar. You can get them at the dollar store or a plastic container will work too!!

CRAFT AND WRITING: This week we will work on papers that will reinforce our theme of *insects*. We will also work on letter matching, following directions and a paper where they will need to find the hidden butterflies and caterpillars. As always we will continue to practice our cutting and printing.

MOTOR: The children will be playing "Hot Potato" and "Simon Says". With the weather getting warmer, please remember that your child needs gym shoes for outside play time.

Reminders:

Spring Program:

Thursday, May 31st at 6:45p.m.
 Please have your child there at 6:30p.m.

Summer Camp:

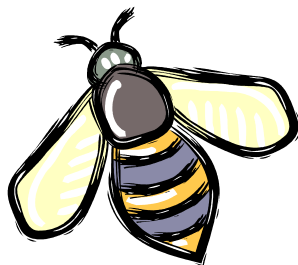

There are only 8 more weeks of school left☺
 Looking for something to keep your child busy??
 Signed up for Summer Camp!!

Teacher Appreciation Week:

May 7 – 11, 2018

Teacher Appreciation Week, is a week long celebration in recognition of teachers and the contributions they make with young children,

It takes a big
heart
 to help shape
little
minds.

Have a great week!
 Mrs. Chrissy & Mrs. Jen
