Language Arts:

Let's review the shapes we have learned throughout the year; circle, square, triangle, rectangle, heart, star, oval and rhombus. We will play fun review games and sing songs as we review these fun shapes. We will learn about "Terry the Triangle", "Sammy the Square", "Robbie the Rectangle", and "Cindy the Circle" just to name a few! Learning about the letters Dd will be exciting!

Concept

Shapes is the theme for this week. The kids will enjoy group activities such as "Shape Seriation", "Shape Sorting", and "Shape Matching". They will also get their hands wet in a game of "Catch it" in the water table.

Craft and Writing:

Our creative class will enjoy making "shapetastic" masterpieces of art throughout this week. We will explore water coloring and collaging as we create some fun and

colorful shapes!

Motor:

This week the kids will be reviewing all of our learned shapes! The children will have fun with exciting shape games like "Shape Toss", "Shape Relay" and "Shape Hopscotch".

Introductions:
