

# Pre-School Update

BNCC

April 16—27, 2018

## News from: Mrs. Karen

This week we will discover the amazing world of birds and insects. Bits— will give us information on Insects.

### Language Arts:

We will continue with letters and phonetics sound skills, word families, and making a sentence. We will learn about a variety of birds and insects for the next two weeks.

### Concept:

We will continue with golden beads, attribute blocks, building a number, addition and subtraction, simple fractions, and telling time.

The children will work on Spring activities. (estimation activity)

The estimation jar will be used, we will estimate how many plastic bugs are in the jar.

Craft and Writing: Work on a reinforcement paper and getting ready for a Mother's day craft.

Motor: Outside play. Weather permitting.
