

# Two's News

Worth

Week 35

April 9-13

Topic: Farm

Bits of Intelligence: Musical Instruments

Intro: Gg

Vocab: grouchy- easily annoyed or angered; in a bad mood.

**Language Arts:** This week Ms. Kimm will discuss what animals live in the barnyard. One of the children's favorite finger plays for this week is "This Little Chicken." We will also sing many fun farm songs and enjoy the story "Driving My Tractor. The children will be up and moving as they role play the song "Old McDonald Had A Farm." If you have any farm books at home, please feel free to share.

**Concept:** We'll kick start the week in Ms. Kat's class by sorting some farm animals. The science table will be full of many different farm animals for the children to enjoy. Farmed themed shelf jobs and puzzles will be enjoyed throughout the week. At the end of the week we will work on following directions using position vocabulary such as in/out/up/down, try working on these at home.

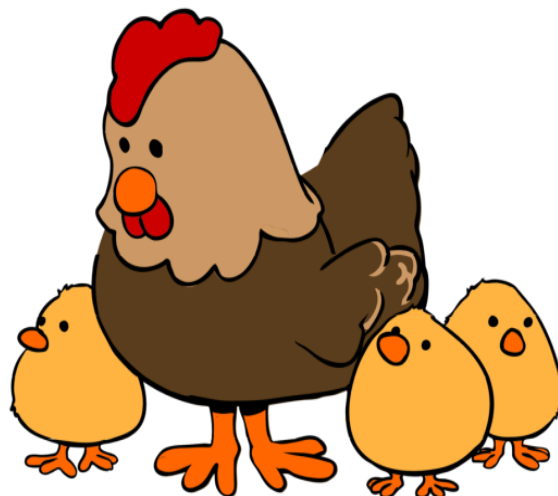

**Craft & Writing:** Mrs. Nicole will keep our farmers very busy this week. Fine motor skills will be put to the test as the children practice proper pencil grip. All of the children will work on a group farm project throughout the week. Letter Gg and a farm craft will also add to the fun.

**Motor:** The children are in for a real treat this week as we enjoy the beautiful spring weather!!

## Special Dates

Parent's Night  
4/17 2 5:30
