

# Two's News

Worth

Week 36 April 16-20

Topic: The Farm

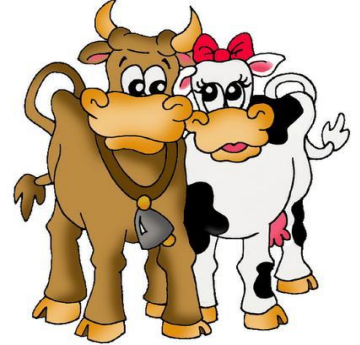

Bits of Intelligence: Musical Instruments

Introductions: Hh

Vocabulary: Hilarious-very, very funny

Parent' Night 4/17 at 5:30 p.m.

Spring Pictures 4/17

**Concept:** Ms. Kat is so excited to have one more week of farm fun. The children love sorting the animals into categories. We will have a blast as the sensory fun continues. Ms. Kat has whipped up a batch of pretend mud for the pigs to roll in (corn starch and brown paint), oats and hay for our horses and the cows are splashing in the water table in pretend milk (water with white paint). Farm toy play and exploration will continue in the block area.

## Craft and Writing:

Mrs. Nicole will keep our farmers busy this week. The children will strengthen their fine motor skills as they practice cutting and tearing. Mrs. Nicole will teach the children the proper way to grip pencils and crayons. Pencil readiness papers, painting and mosaic work will add to the fun this week.

## Language Arts:

“Five Little Potatoes” and “Five Little Farmers” are just two of the flannel board stories Ms. Sam will introduce this week. Farm puppets will be used as the children sing along to their favorites “Old MacDonld and “Had a Little Rooster”.

## Motor:

The teachers will get the children movin' and groovin' to our morning dances. We hope Mr. Sun comes out soon so we can play outdoors.

## Happy Birthday

Audrey Hulben 4/18

Julia Kriehner 4/19

## Teacher Appreciation Week

May 7-11
