

Toddler Times

Weeks 36 and 37 April 16th-20th and April 23rd-27th, 2018
Theme: Farm & Earth Day

Language Arts:

Cows on the farm go "Moo, moo, moo!" This week our class will explore the topic of farm and learn about the many barnyard animals. We will discuss what farm animals eat and learn about the sounds that they make. As we discover this theme, we will learn exciting flannel board stories and fingerplays.

Concept

Help me count the barnyard animals that live on Old Mac Donald's farm. How many chickens are in the coop? We will enjoy some simple math activities as well as explore our shelf activities.

Craft and Writing:

This week we will be celebrating Earth Day. our Mouseketeer's will be decorating a very special Earth Day craft. We will also create "farmtastic" works of art throughout the week.

Motor:

Let's get moving like our barnyard friends. Can you oink like a pig or quack like a duck? We're going to play a down on the farm action and movement activity. This will help us learn about how the animals move and get our bodies moving.

- Review: All concepts that we have learned so far.
