Plants

Week 38

Topic: Plants/Cinco de Mayo

## Language Arts:

The children did a great job with compound words. Ms. Mistina will reinforce that concept this week as well as others that have been previously introduced. This is to include

- ◆ Rhyming words
- ◆ Blends
- ◆ Digraphs
- ◆ Silent e words
- ◆ Double vowel words

### Spanish Words

1. fiesta - party
2. pinata - a paper mache figure filled with surprises

## Concept

This week we will be learning about plants. We will discuss the different parts of a plant and what a plant needs to grow. We will watch a seed grow in our sandwich bag garden.

The children have been earning money the last few weeks. Some of the children have been spending their money and we have a few savers! We will also have a Cinco de Mayo celebration on Friday complete with a pinata full of appropriate treats. We will be learning about Mexico throughout the week, and understanding why Cindo de Mayo is celebrated as a holiday. We will learn spanish color words: red/rojo, green/verde, blue/azule, yellow/amarillo, orange/naranja, purple/morado, black/negro, white/blanco. We will discuss Mexico and it's relationship to the United States.

## Science

We will plant flowers outside, make a weather vane and learn about air plants.
