

Junior Journal

Week 36 April 23rd-27th, 2018

Theme: Reptiles and Amphibians

Language Arts:

I'm a Little Froggy

I'm a little froggy slick and green, I once was a tadpole, as you have seen. Then I grew some strong legs while swimming about, and now I'm a frog. Hurray, let's shout! "Ribbit!"

The children will enjoy acting like a frog in this body play as well as the song "Five Green Speckled Frogs."

Motor:

Spring is in the air! As the weather improves, the students will be ecstatic to get their energy out on the playground. The students will continue to strengthen their hand eye coordina-

tion, balance, and ability to bounce a ball through our obstacle courses.

Concept

I'm thinking of an animal that can be rough, scaly, and slimy. The children will solve these types of riddles to guess the reptiles we are learning about. The children will also enjoy some new spring sensory bins!

Craft and Writing:

We will be working on our special surprise gifts for Mother's Day, you do not want to miss it! The children will also continue to practice writing letters we've recently learned. The children are so excited to show off their work.
