

# Junior Journal - Worth

Week 35

April 9-13      Topic: Plants  
Bits of Intelligenc: Sea Creatures

**Introductions:** pentagon

**Expressive Vocabulary**

**glorious - full of grand beauty**

**Fable: The Grasshopper and the Ants**

**Moral: We should always make plans for the future.**

## Mark the date!

The date for our Spring Music Program is May 19th at 9:30 am at Prairie Junior High in Alsip.

**Concept:** This week we will venture outdoors to observe the various plants found in our backyard. We will compare and contrast the difference between plants and trees. Once inside, Mrs. Barb will have the children plant seeds to see what happens.

**Language Arts:** The Juniors will be working hard practicing for the Spring Program. A discussion about plants will include such facts as growth and the importance of sunlight, water and soil. Weather permitting, we will be reading stories outside.

**Craft and Writing:** It's sure to be a busy week in Ms. Hollie's class. The children will work on a readiness paper featuring the introduction of the pentagon. Also, the children will begin working on a special craft in preparation for Parent's Day.

**Motor:** Ms. Sam will treat the children to plenty of fresh air this week as they take to the outdoors. Path activities will involve the steps, jumping over blocks and tossing a ball to the teacher. A few old favorites such as bowling, freeze, hot potato and musical mats will be enjoyed by all.

**Reminder - Please send your child to school in gym shoes as the weather gets warmer.**

## Attention Moms

*Please send in a picture of yourself at around age 3 or 4 years old. We are working on a special bulletin board to celebrate*

*"Out of this World Moms!"*

*Please bring by  
May 10th.*
