**Language Arts:** This week we are exploring our fine feathered friends; the birds! We will be reading about our favorite bird species. Our little song birds will be practicing for our Spring Program as well.

“If I were a bird I’d sing a song  
And fly around the whole day long  
And when it was dark I’d go to rest  
Up in my cozy little nest.”

**Concept:** This week we will be learning about birds. We will take a look at a nest and how our fine feathered friends make them. We will be talking about the different body parts of a bird and what they are used for (beaks, feet, wings and feathers). We will also be venturing outside to do a little bird watching.

**Craft & Writing:** We begin a new theme this week as we learn about birds. Two letters of the alphabet Yy and Zz will be introduced and reinforced. The children will spend time crafting a variety of birds this week.
