

Junior Journal

THEME: Year in Review 

LANGUAGE ARTS: Reinforcing the entire alphabet by focusing on letter recognition and phonetic sounds will develop our skill level. Many stories, poems, and songs are planned to help enhance our theme. Vocabulary development is enhanced as we discuss *summer vocabulary* including: *summer, warm, sun, water, and hot*. Our discussions will also focus on sports we play during the summer months.

CONCEPT: New counting activities are planned for the children to do this week. Some of the specific unit activities will be put away and replaced with more general activities, such as building blocks and floor puzzles. We will also begin discussing the upcoming season of summer.

MOTOR: Hopefully, the weather will allow us to spend time outdoors, using our equipment to develop our gross motor skills. We will even incorporate the equipment in an obstacle course and try our hand at t-ball.

CRAFT & WRITING: Coloring several fun summer pictures, and using playdoh are all a part of this week's activities.

Reminders

- Memorial Day - Monday, May 28 - center closed.
- Last Day of School - Friday, June 1.
