

Bobbie Noonan's Child Care, Fort Myers May 2018 Newsletter

Dear Parents,

Once again I am shocked and surprised that the school year is almost over. Time has passed much too quickly and as always it is hard to say goodbye to families who have spent so many years with us. Thank you for your support and trust, I will surely miss you. For those of you continuing on through the summer we are planning a fun and exciting program "Steam'n into Summer". Steam is an educational approach to learning that uses Science, Technology, Engineering the Arts and Mathematics. We can't wait for camp to begin! For those of you taking the summer off, stay safe and happy and we will see you in the fall.

So many of you make "Teacher Appreciation" week so special for so many of us; So in advance thank you, the flowers, candy, note cards, gift cards, the simple thank you's (so special) and of course food is always just so thoughtful. We truly do feel appreciated.
