

Pre-K Press

Weeks 40 & 41 May 7th-11th & 14th-18th, 2018
Theme: Farm I & II

Language Arts:

Old Macdonald had a farm E-I-E-I-O. These next two weeks will be all about farm animals. We will discuss which animals live on a farm and how farmers take care of them. We will be reading many stories and enjoying finger plays that go with the theme. The children are excited for our Spring play and have been working hard on singing their songs.

Motor:

We have been loving this warm weather! We have been improving our hand eye coordination with baseball, basketball, and bean bags on the playground.

Concept:

Old McDonald's animals are loose. The children will work together to sort the types of animals and match them to the correct corresponding number. The children will also compare and contrast similar farm animals.

Craft and Writing

The children are still working very hard on their printing. Practice makes perfect! We are continuing with reviewing all concepts and working on papers. We will have some fun farm animal crafts to make. The children will also be working on a new art project for our end of the year art board.
