

Pre-K Press

Week 41 May 21st-25th, 2018

Theme: Insects and Gardens

Language Arts:

1, 2, 3 there's a bug on me!
Where did it go? I don't know!
Our last theme of the school year is all about bugs and insects. We will look at different pictures of insects and start a class discussion. The children will enjoy stories and finger plays to go along with our theme. All stories will be reviewed.

Motor:

Oh Mr. Sun, Sun, Mr. Golden Sun, please shine down on us! The children have been enjoying baseball, basketball, bags, and racing outdoors. Please bring in more sunscreen as we soak up the nice weather!

Concept

Green ones, yellow ones, spotted bugs, and multi-legged bugs! The children will show off their skills by sorting bugs by color, size, and type. We will continue working on counting by 2's, 5's, 10's and working on golden beads.

Craft and Writing:

The children worked so hard this year printing their name, and you should be very proud! We will have some fun insect projects to work on, as well as coloring sheets of insects. The children will be doing a few more review papers to end the school year.
