Farm

Introductions: Story 13: "Help"
Reading Vocabulary: *Help, Work, You*
Fable: "Jupiter and the Tortoise"
Moral: Choose sides for what you believe in not for what you might win.

Mrs. Paula, Mrs. Amanda, Mrs. Karen, Mrs. Cathy, and Mrs. Susan

Language Arts: We will be talking and reading about all the different types of farms all over the United States, and the different crops and animals in each region. The children have been doing a great job reading their Bold Beginning stories. Keep up the good work!!

Concept: On an imaginary visit to a Farm, we will find out what happens each month over the course of a year. Hopefully, we will discover some interesting facts. For example, did you know that May is one of the busiest months at the farm? Stay tuned to find out why! We will also learn about all the ways that farmyard animals help us.

Craft & Writing: We are working on rhyming and beginning sounds in our papers. Cows and sheep will be created in art class this week. Fun Friday is on its way, as water coloring and play-doh will be a fun treat.

Motor: While outside this week, we will review all our manners including "Use your words, NO hitting". Playing **Farmer in the Dell** and imitating farm animals will keep our muscles growing strong down on the farm.
