Motor- Outdoor play and balance beam, and Olympic events are just a few of the activities we will be enjoying over the next few weeks.

Craft and Writing – We will be making an Olympic Torch for this week's Olympic ceremonies. We will continue to work on printing our names and numbers.

Concept- Olympic Week in the concept room with plenty of outdoor activities, such as the giant parachute and volleyball. We will continue working with our number line 1-20, counting by 2's, 5's, 10's, and 100's and have begun counting up to 100! We are also working on building numbers using our golden beads and simple addition and subtraction. We will be playing lots of our favorite games and to review the concepts that have been introduced this past year (including our colors, shapes, days of the week, months of the year, and the calendar).
