

Week 40 May 14-18

# Two's News

## Theme: Old Favorites

### Concept

Ms. Kat's class is loving all their favorites! This week we'll bring back some squishy stuff for our sensory play. Our block play will have the children building a Jurassic Park for their dinosaurs. Shelf jobs, puzzles and lego's will also keep their little hands busy.

### Art and Craft

As the year comes to an end and the weather gets warm, Ms. Nikki will have fun taking her class outdoors for art. We will play with sidewalk chalk as well as paint a mural on paper hung from our fence. The children will end the week with some favorite play-doh and water color fun.

### Language Arts

Ms. Kim will bring magic into the classroom as she reads the story Cinderella. The children will surely enjoy following up that story with some dress-up fun. Our favorite songs and fingerplays will be highlighted this week. We will head outdoors for storytime under the trees.

### Motor

Rain, Rain, Go Away, come again another day. Hopefully Mr. Sun comes back so we can get our little legs moving in our play yard. If not, we will enjoy shaking our parachute to build muscles in our arms.
