

Two's

April 30 - May 4
Week 38

News

Theme
Creepy Crawlers

We are closed on Monday, May 28th for Memorial Day.

Motor

Introductions: come, go
Bits of Intelligence: Mammals

Ms. Kat will have the children using their ball handling skills as they bounce, roll, throw and catch a ball. Mrs. Nicole will help the children practice their climbing skills outside on the equipment. Ms. Kim will have the children up and moving as they make their bodies move like creepy crawlers.

Mrs. Jackie was blessed with a healthy baby boy named Julian on April 17th.

Concept

The children will be busy bees in Ms. Kat's class as they enjoy a game of "Bug Splat", where they take turns using an actual fly swatter and swat at pretend bugs, each displaying a different number. This activity reinforces number recognition. Weather permitting, the children will enjoy walking outside on our bug hunt.

Craft and Writing

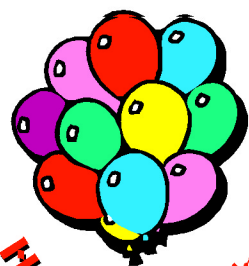

Scissor skills are put to the test as we fringe cut grass for our grasshoppers. We will marble paint webs and use fly swatters to give our flies color. A special bee craft will keep the children busy. We continue to work on our Mother's Day surprises.

Language Arts

The children enjoyed the Itsy Bitsy Spider song so much that Ms. Kim thought it would be fun to sing at home. In addition to this song, the children will enjoy a new book called Bugs Galore. Imaginations will be working in over-drive as the children pretend to be caterpillars, butterflies, bees, spiders, crickets and worms.

Happy Birthday
