

Two's News

Week 39 May 7th-11th

Theme: Old Favorites

Bits of Intelligence: Mammals

Language Arts: This week we will look back on many of our favorite books, songs and flannel board stories. Books for the week include Driving on a Tactor, Going On a Bear Hunt and The Very Hungry Caterpillar. The flannel board will come to life with Brown Bear, Brown Bear and Make a Rainbow. The children will enjoy being monkeys as they act out "Five Little Monkeys Jumping on the Bed." If the weather permits, we will enjoy storytime outside.

Concept: Bug Splat was a hit last week! We'll continue to use it as a review for our larger numbers 6-10. What could be more appropriate for old favorites week than the water table? Ms. Kat will have the children bathing "babies" as well as squeezing sponges, washing dishes and pouring throughout the week. Group activities include blocks and building towers. We will finish off the week making bubbles.

Craft and Writing: This week the children will be able to explore many different mediums as they express themselves thru creative art. Wait until you see our special Crosstown craft.

Motor: We hope the weather warms up so the children can enjoy some outdoor fun.

Hooray! We love Mr. Sun! We will play pool noodle baseball.

Please help us celebrate the tradition of the Crosstown Rivalry on Friday, May 11th. Come dressed in your Cubs/Sox gear and get ready for a fun filled day.

Save the Date

No school - Monday May 28th

School Picnics - May 31st & June 1st

Last day of school - June 1st

Summer camp begins June 11th
