Pre-K Update

Theme: Weather

Week 39

May 7-11

We are closed on Monday, May 28th for Memorial Day.

Evaluations of all students begin this week.

Language

A chance of rain? This week Ms. Jen will be talking to the children about the different types of weather. Many books and cute finger plays will also be done this week. We will begin evaluating this week.

Concept

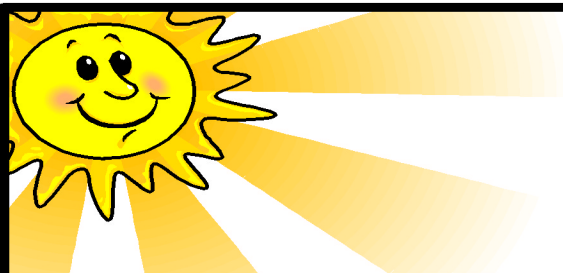

This is a fun and exciting week for the children to learn about different types of weather. The children will be voting on which season is their favorite and answering questions such as "Where does rain come from"?

Craft and Writing

It's hard to believe that our year is coming to an end. The children will work on evaluation papers to complete their file, therefore they may not bring papers home in their folders.

Motor

Let's hope the weather really starts to get nice. We will have relay races outside and set up an outside obstacle course using some of our playground equipment. The parachute will also be brought out.

Our upcoming program is fast approaching. Please let us know if your child cannot attend so we can plan accordingly. It is scheduled for May 19th at 10:30 a.m.
