## Smelling and Tasting Our World

June 25<sup>th</sup>-29<sup>th</sup>

Mrs. Nicole

### Language Arts

This week we will enjoy different stories about things that we will smell around our world during the summer.

### Craft and writing

The children will create a few different art projects this week that will help them remember the sweet smell of summer!

### Concept

The children will have fun with our smelling and tasting activity.

### A Peek at Our Week

Monday June 25<sup>th</sup>- Water Day

Tuesday June 26<sup>th</sup>-  
Water Day

Wednesday June 27<sup>th</sup>-  
Music with Mrs. Michelle

Thursday June 28<sup>th</sup>-  
Snack Creation

Friday June 29<sup>th</sup>-  
Smell/taste testing

### Motor

We will be enjoying this summer weather! Our water days will help to keep them cool as they splash their way into some fun!
