

WELCOME TO SUMMER CAMP 2018

Hello everyone and welcome to Summer Camp in the Alumni room. My name is Ms. Kim and this will be my 4th summer here at Bobbie Noonan's. I am very excited about the activities I have planned for the summer. If anyone has any questions or concerns throughout the summer camp, I am available from 8-5 Monday through Friday. I look forward to a fun filled summer!

Week 1: Summer Fun (June 11th-15th)

This week is all about our favorite summer time activities. Monday we will be relaxing on the beach. The kids will be creating a salt water jellyfish craft. Be careful they might sting! On Tuesday it is all about a trip to the zoo. The children will learn about the different animals and where they live. We will go looking for a bear cub that has escaped by "Going on a Bear Hunt". Wednesday we will take you out to the ball game where the children will have a baseball filled day. We will take to the "field" and have our own baseball game. Thursday is all about screaming! Screaming for ice cream that is. One a hot summer day nothing is better than ice cold ice cream. We will have an "ice cream" relay race as we try to beat the heat and keep the scoop of ice cream on the cone. On Friday we will be hard at work as we get ready to open shop and sell our handmade lemonade to our lovely parents and families here at Bobbie Noonan's. Come see us outside on the front sidewalk of the school. We look forward to this fun and exciting week.

Week 2: Thank you Mother Nature (June 18th-22nd)

We are all about the outdoors as we talk about Mother Nature. We are going to look at how important nature is from the trees to the bees. We will spend some time outside as we go on a scavenger hunt. The children will also learn the meaning of the conservation term "If you care, leave them there". This phrase is in place in reference to injured or baby wildlife you might encounter camping or on a hike even. It is put in place to protect you and the wildlife from any harm or further harm. We can't wait to see what's out there!

Week 3: Movin'-N-Groovin' (June 25th-29th)

Get ready as we wiggle, shimmy and shake our way through the week. This week is all about music! We will travel through the decades as we listen and learn about various types of music and dances that were popular during different decades. From the 1930's Moonwalk to the 1950's Hand Jive and finishing with the with some line dances the children can try to join in on. We will also have a special guest visit us as well and perform. He is Michael's Music Machine and he's here to make sure we are really Movin'-N'Groovin'.

Important Reminder:

Daycare children need to wash their hands upon arrival each morning
Half-Day drop off is at 9:00am. Pick-up is at 12:00pm
On sprinkler days please send a swimsuit, beach towel and water shoes in a bag. Please no flip-flops as they get slippery when they get wet. Don't forget the sunscreen!
Please label all personal belongings! We wouldn't want anything to get mixed up.
Please check your child's file each night at pick up! We will be sending all papers, crafts and other paperwork home in those folders.

Important Dates:

Monday June 11th Dot Kane will be joining us for some summer fun
Friday June 15th Alumni will be selling lemonade. Swing by and get a refreshing cup on a hot summer day
Friday June 22nd Alumni sprinkler day
June 27th Michael's Music Machine will be here to get us up and dancing

Jack Syzmanek June 19th
