Week 7

July 30 to August 3, 2018

THEME: Look at Me

Featured story: *Chrysanthemum*, by Kevin Henkes

When you look in the mirror, what do you see? Our students are getting sooo big, and this week we will examine everything they can do all by themselves. Like little seeds, every day they get stronger, smarter and more rooted. Our stories this week will shine a spotlight on independence, and encourage our kiddos to be proud of all the special things they alone can do!

Artistic painting will be our featured event this week on Thursday, August 2, 2018. The children will be able to choose a small design to have painted on their hand or arm.
