

Bobbie Noonan's Child Care  
Fort Myers

08-14-2018

Dear Parents,

Please remember to wash your child's hands when you enter their area and most importantly please do not place any medication in back-packs and diaper bags; prescription or non-prescription including Tylenol, Advil, diaper cream, wipes anything that would be considered harmful if it fell into little hands. I will be more than happy to keep any items that you may need at the end of your day locked up in the office. Once again we thank you so much for your continued support.

Thank you,

Mrs. Diane
