

PreK Press

Weeks 1 and 2: August 20-31, 2018

Theme: Getting Acquainted

Language Arts:

We will enjoy playing with old friends, and making new friends during this first week of school. Learning our friends' and teachers' names, "the bell", class rules, and listening to stories will be enjoyed. We will be singing our song *A is for Amos*, which helps the children learn the letters, and phonetic sounds of each introduced. This week, Aa and Bb. The children will also be introduced to dinosaur bits. Bits are cards to teach bits of information. Please bring in any pictures, or small items, beginning with the letters

Aa and Bb this week, to share with the class.

Concept:

We'll begin concept class with calendar time. We'll discuss the days of the week and months of the year, followed by checking the weather, and discussing the season summer. The children will be introduced to many shelf jobs, which they will be using on their rug mats. We will focus on alphabet and color matching jobs.

Motor:

We will be on the go, both

indoors and out! The children will be shown how to use the indoor equipment, including: the tunnel and rocking boat. Outdoors, we will go over the playground rules, so that we can have fun and stay safe! The children will get a chance to run, ride bikes, swing on the swings, and slide down the slides.

Craft and Writing:

We will be using the colors red, blue, yellow, and green to create our projects this week. We will also learn the letters Aa and Bb with several phonics papers.
