Theme: Snugglies
Introduce: Circle & Square
Week of September 3

Reminder: School will be closed Monday, September 3.
Enjoy your holiday weekend! Full tuition is due.

Concept: This week we will learn the shapes circle and square. We will continue sorting big and little but with a twist—the children will put all the big items in the group with the big hand and the little items in the group with the little hand. We will investigate the difference between dirt and leaves.

Language Arts: What a fun week “Snuggly” week is! All of us need to bring our favorite “Snuggly” to spend the day with us. We will have special finger plays and flannel board stories to do with our special friends. The rhythm sticks will be introduced which is always an exciting time. The shapes circle and square will also be introduced so our “Snugglies” are going to learn something new. Don’t forget your snugglies and don’t forget to put your name on your snuggly!

Craft & Writing: We’re shaping up in Craft and Writing class this week with Ms. Tammy. If you thought learning red and blue was fun, wait until we learn circle and square. To introduce our new theme, snugglies, we will also mosaic a teddy bear brown.

Motor: This week in class we will introduce the shapes circle and square. We will also introduce the tunnel and the children will be able to crawl through. The class will participate in an obstacle course towards the end of the week involving walking up and down on stairsteps and block bowling.
