## Language: Mrs. Debbie

We began our week with review and introductions. This week we talked about where we live and who lives in our house. We had music with Ms. Chris. We will have show-n-tell on Wednesdays. We used our language baskets to work independently. We reviewed our letters and sang our new phonics song. We also played a fun letter review game and reviewed what letter our names start with. We ended the week with library time and talked about how we use books nicely.

## Concept:
