This week we will be able to talk about ourselves. For our theme of “All about Me,” we will talk about our likes and dislikes. Please help us with our theme by filling out the attached sheet with your child. We will learn the finger play “10 Little Fingers” and we will listen to stories that relate to our theme. The children will be introduced to the letters Cc and Dd along with their phonetic sounds. **Show and Tell is Wednesday this week.** Please remember to bring in one thing that begins with the letter C and one thing that begins with the letter D.

This week we will begin our reading stories. Story #1 is Taffy Apple. When your child can successfully read the story on their own, they will take it home. This is a great accomplishment!

Concept:

In concept time we will continue working on estimation and counting activities using pom-poms of different colors and sizes. The children will be introduced to the numbers 1 and 2, along with the letters Cc and Dd. Our new numbers and letters will be reinforced with shelf jobs and review games. As a group activity we are going to work on compare and contrast using a regular fork and an over sized fork as well as a plastic apple and a real apple. We will also be doing a science activity using apples.

Craft & Writing:

This week we will be working on tracing and printing papers that will reinforce the numbers 1 and 2 as well as the letters C and D. The children will also work on papers that will focus on matching, visual discrimination and patterns. As a reminder, when you are working with your child at home, please capitalize only the first letter in their name.

Motor:

In motor time we will have fun playing Hot Potato, a follow directions activity and a path activity using hula-hoops and the stair steps. We will also bring out the balance beam, and we will use the ball and wand. Weather permitted we will also be going outside. As a reminder your child needs to have gym shoes for outside playtime.

Reminders:

Wednesday, September 5th - **Show-n-Tell (C&D)**

****As a reminder show-n-tell is NOT every week, so make sure you check your weekly newsletters.**

Monday, September 3rd – Labor Day - **No School**

There will be **no** switching of days for this week due to the holiday.

Full tuition is due for this week.

Have a good week!
