Language Arts: Week 2 arrives to find the students settling into a comfortable routine. The boys and girls will continue to get to know one another as we begin a new unit of study on manners. Mrs. Debbie will help the children learn that manners are kind and thoughtful ways to treat other people. When we use good manners, we are being polite. A new puppet friend, Bea Polite, will visit our class to demonstrate how important good manners are. Our book corner will feature the book *“What Do You Do When a Monkey Acts This Way”* by Jane Belk Moncure and everyone will get the chance to shake hands with their neighbor and ask “how do you do!”

Good Manners

(tune: I’m a Little Teapot)

I have good manners, yes I do
I can say “please” and “thank you” too
When I play with my friends, I like to share
That’s the way to show I care!

Concept: In Mrs. Julie’s class this week we will learn how to compare and contrast using a pencil and crayon, as well as a ball and an orange. Towards the end of the week we will use different sized boxes for size sorting. We will be explorers outside and look for sticks, leaves and rocks. When we come in we will collect what we found and discuss things that are found in nature. We will do a motor activity where we crawl on a zig zag tape line and jump through hula hoops.

Craft & Writing: This week in Mrs. Tiffany’s class the children will be busy working on papers. Art shelves will be introduced this week where the boys and girls can choose art jobs that reinforce skills learned during craft and writing. We will also be busy working on our manners and making a “Bea Polite Bee.”
