**Language Arts:**

We love our pets and will learn about great ways to take care of them. Our class will explore and all the different types of pets and how we can help take care of them. Feeding a puppy different bones and learning some new songs will be a fun challenge. Featured songs this week are "Goldfish, Goldfish" and "At the Veterinarian's".

**Concept**

The children will be having tons of fun the next two weeks as we talk about their favorite pet. The children can bring in a picture of their favorite pet. We will have fun with a feed the dog review game. There will be time to play with the pet grooming station too.

**Craft and Writing:**

Our busy little artists will have a blast creating special pets as well as some fun circle and square projects! There will be time to build a pet with play-dough

and cookie cutters.

**Motor:**

Stand up high, stand down low this is how we keep our bodies moving and grooving. A movement activity will be used to incorporate our introduction to circle and square. Learning a new block bowling game will also be a ton of fun!

**Finger play of the Week**

I have a snuggly (point to self) you have a snuggly (point to others) we all have snuggles (point to everyone) so, lets be friends! (nod head) Hug your snuggly, kiss your snuggly, now hug him once again.
