Topic: Getting Acquainted

Language Arts

Mrs. Christine is our Language Arts teacher. This will be her seventh year teaching at Bobbie Noonan's. She will introduce the children to a variety of puppets, songs, books and flannelboards. Mrs. Christine will help the children learn many new songs and will get their imaginations moving in the dramatic play area. Mrs. Christine is looking forward to a great year.

Welcome

Our new school year has finally arrived! To all of our new parents and children - Welcome. To our returning families - it's good to have you back. This is our weekly newsletter. It keeps you updated on the topics we're covering and reminds you of any special events. It will also tell you about the concepts being introduced and reviewed. Going forward, all newsletters can be found on our website at

bobbienoonans.com

You'll be able to find out about your child's day on the daily report. These tell you how your child's day went, length of nap and how much he or she ate. Our menu is posted in the school foyer.

Our morning consists of three classes. Concept, Language Arts and Craft and Writing. Motor takes place at the beginning and end of each day. We also have outside time to give your child plenty of exercise.

This week will be an introductory week for your child. It is designed to help your child adjust to the school routine.

Concept

This is Ms. Sara's first year teaching Concept in the 2's room and she couldn't be more excited!. In this class we focus on learning numbers and shapes. Ms. Sara also introduces the calendar and weather to our little ones. Her favorite activities are sensory based which gives your child the opportunity to get "hands on" and learn through play. Shelf jobs are always a classroom favorite, along with the block area.

Craft and Writing

Mrs. Nicole is our Craft and Writing teacher. This will be her fourteenth year teaching at Bobbie Noonan's and she can't wait to get the year started. During the week the children will be introduced to the different mediums we will be using, such as crayons, finger-painting and collage work. Also, our fine motor skills will get a workout with play-doh and a special craft.

Classroom Helpers

Ms. Amy is our morning aide and will assist the children with their adjustment to school. Welcome Amy!

Reminder

Please remember to wash your child's hands upon entering the building.

Don't forget diapers and wipes and an extra change of play clothes!!
