

*Introductions: Aa and Bb*

*Vocabulary:*

*blurt - to say suddenly or  
without thinking*

*Manners: Try to share.*

*Use words, no hitting.*

*Bits of Intelligence: World Wildlife*

## Language Arts:

Mrs. Jackie will introduce the letters Aa and Bb and their phonetic sounds. She will reinforce them throughout the week using a flannel board story that corresponds with our song about the alphabet entitled "A is for Amos". The children will have a great time role-playing our new manners this week. Stories reinforcing good manners such as "Please say Please" and "Little Puppy" will be enjoyed. The children will all join in the fun at the phonics board as they help review letter phonetic sounds.

# Junior Journal

Week 2

Aug. 27st- 31st

Topic: Manners

## Concept:

This week in Mrs. Barb's class we will use all our manners and take turns playing with the sand table. We will work on our counting and estimation skills. Mrs. Barb will also have the children compare and contrast a pencil and a crayon and a ball and an orange. The children will learn the proper way to use the shelf jobs this week. So put your thinking caps on; it's time for concept! The light table will be introduced this week and is sure to be a favorite.

## Craft and Writing:

This week in Ms. Hollie's class the children will focus on the letters Aa and Bb through coloring, painting and mosaicing. We will also reinforce red and blue by continuing to paint and color. A bumblebee craft is sure to create smiles this week as we talk about manners.

- \* Have you brought in your child's school supplies and extra clothes?
- \* Please check your child's file/filder daily.

## Motor:

Little feet will be very busy as the teachers have the children practice jumping and kicking. Playing outside on the equipment is sure to be fun! We recommend that your child wear proper shoes to avoid falls or slipping during outdoor play.

**We are closed on  
Monday, Sept. 3rd for  
Labor Day**
