Language Arts: The children will spend the week reviewing concepts such as word families, and long and short vowels. We will discuss popcorn words, words that keep popping up in every day print, such as the words of, and, the. We will spend the day on Thursday, September 26th celebrating Johnny Appleseed! Our apples will be used for a fun graphing activity, estimating apple seeds and of course a delicious snack!

Math: We will begin to work on measurement this week. The children will be using their rulers to work on several fun activities. Other math lessons will include a review of numbers 1-10 and we will continue to practice correct printing techniques as well as numeral concept of our numbers. The boys and girls will also spend time working on place value and geometric solid shapes. Ordinal numbers will be reviewed by identifying objects in the given position (ex. color the fifth flower in the row.)

Science: We will discuss police officers and learn the job duties and requirements of police officers. We will also learn about the police station and the types of police officers we have in our cities. The season of Fall will be a topic of interest this week as we will discuss the science behind why leaves are changing colors and falling from the trees. The children will be making leaf rubbings using a leaf from our nature walk!

Social Studies: We will continue to learn about our great state of Illinois. We will also discuss what number to call in case of an emergency and other safety tips as well.

Art: Paint with apples

Pre-K class

We will continue working on our reading stories Taffy Apple and String Bean. Please help your child practice these story words at home. Letters Gg and Hh will be introduced and fun listening activities and following direction games will also be played. We will ask and answer question during discussion time about our new season Fall and theme Police officers.
