

# Pre-K Press

**Weeks 6 and 7: September 24- October 5, 2018**

**Theme: Dinosaurs**

**Language Arts:**

We will introduce our new reading story Missy Manners. Missy Manners always promotes using good manners. Over these next two weeks, we'll also be discussing one of the children's favorites, dinosaurs. Our expressive vocabulary words all relate to dinosaurs, along with the words fossil, extinct, omnivorous, carnivorous, and herbivorous. The children will also enjoy this dinosaur finger play:

When I walk I stomp (stamp feet three times)

It sounds like thunder (cover ears)

I'm so big and round (spread

arms wide)

That children wonder (tap side of head)

In addition, we will enjoy many books.

**\*Please bring pictures or small objects of items that begin with Gg or Hh.**

**Concept:**

The sand table will be set up as our dinosaur dig. Which type of dinosaur will you find? We will continue to work on our estimation activities. Listening activities and following the directions games will also be played. We'll continue our daily calendar and weather routine. The knob cylinders, will be introduced. Lastly,

we'll continue to discuss fall.

**Motor:**

The children will play a listening game as they review their body parts. We will also walk the balance beam, do a zig-zag walk, and enjoy the fall weather outdoors. We'll also stomp around like dinosaurs.

**Craft and Writing:**

We'll be working on papers with the numbers 7-10. The boys and girls will also color and trace Gg and Hh. Watch for the children to bring home exciting dinosaur papers and projects.
