

Bobbie Noonan's Child Care
Junior News
September 10 - 14, 2018

Theme: Dinosaurs

Introductions: Numbers: 1 and 2

Vocabulary: Cooperate- to work together

Bit Cards: Mammals

Manners: Please and Thank You

Language Arts:

“There Was an Old Lady Who Lived in a Shoe” will be our new flannel board story and “The Playful Wind” will be our new finger play of the week. We will also continue learning about dinosaurs by singing songs and using dinosaur puppets. Show and Tell will be on Friday or your child’s last day for the week. Please keep it theme related (dinosaurs).

Craft & Writing:

We will continue our theme of *dinosaurs* with a dino-mite art project. The children will be introduced to the numbers 1 and 2 with number tracing and number concept papers. We will also move on with angle cutting this week, however; if your child is still having a hard time with straight line cutting they will continue to practice that before moving on.

Concept:

The following activities will be introduced to the children: counting nuts and bolts and number cards. To help us with our math skills, we will be counting and doing estimation activities using dinosaurs. We will be talking about the changing of the seasons and what to look for as we enter into fall. The numbers 1 and 2 will be added to the shelf.

Motor:

We will be walking a path along with doing the balance beam this week. Outside motor activities will also be experienced; weather permitting.

Reminders:

Happy Birthday:

Joey Zambrano – September 12th

Show and Tell:

Friday, September 14th. Bring something relating to dinosaurs

****Your child's teacher does not check backpacks. Please hand any papers, checks, or items you are asked to bring in directly to the teacher.**

****Mrs. Mary Ann is looking for pictures of the four seasons; Fall, Winter, Spring and Summer. If you have any, please bring them in.**

Class begins at 9:00 each morning!! Please have your child at school for the beginning of class. Children who arrive late do miss an important part of their class – review and new introductions. Some children may need a little time to play with their friends before settling in for class.

Have a wonderful week!

Mrs. Mary Ann

Mrs. Summer

Dinosaurs

I am Stegosaurus
My tail is spiked
I only eat plants and
I'll share some if you like.
