## Language Arts:

These will be a very busy couple of weeks in Language Arts. Printing and learning the sound of Gg, Hh, Ii, & Jj will be worked on. I will be introducing

the word families "at" and "ad".

Please help your child sound out words that are in these word families such as cat, rat, sat, dad, mad, and sad are examples to work on.

## Math:

The numbers 7, 8, 9, & 10 will be introduced as we practice printing the numbers and working on number concept and numerical order. The golden beads and number words will be included in our review. We will be matching number words to the numbers. We will introduce the geometric shapes: cone, sphere, cylinder, and cube as well.

We will be looking for real life objects that are these shapes.

## Science

Our five senses will be tested this week, as we hear, see, taste, smell and touch with fun activities.

## Craft:

We will create some fall crafts over the next few weeks to decorate our room and to bring home!

## • Introductions:

Letters: Gg, Hh, Ii & Jj

Numbers: 7, 8, 9 & 10

Geometric shapes: Cone, Sphere, Cylinder and Cube

• Bits of Intelligence: Musical Instruments

• Manners: Say "Please" and "Thank You"

• Proverb: Do unto others as you would have them do unto you

• Sight words for the next two weeks are: big, come, can, & look

## NOTES TO PARENTS:
