Language Arts: The children will enjoy the flannel board story *Trees*. Our listening activity involves following directions to the finger play "I'll Touch My Hair." We will also talk about our new numbers 1 and 2.

Concept: As we introduce our new numbers, 1 and 2, we will add number counting concepts to our shelves and play the bug splat game. The children will strengthen their fine motor skills by squeezing sponges at the water table. Long and short will also be part of our lesson this week.

Craft & Writing: We will be creating some fun fall crafts with leaves, and learning to print numbers 1 and 2. Painting with yellow and green will be a fun way to end the week.

Motor: The children will practice kicking balls at a target and sing songs while in the rocking boat. As always, if weather permits, outside time is a must!!
