What's going on in Mrs. Jackie's class?  
 Week #3-4 All About Me/Pets

Bobbie Noonan's Preschool –Tinley 1

September 3, 2018

We hope everyone had a safe and restful weekend. This week is "All About Me". We will be sharing our posters that each child made with the class. Thank you for assisting them with this project. Friday will be Friendship Friday. We will do a project with a friend and make Friendship soup.

Week # 4 our theme will be Pets. If you have a pet please have your child bring a picture to class next week. We will be graphing pets and doing some pet yoga and other pet projects.

Each child has a pencil box with their name on it. It has a box of crayons, a pencil, a glue stick and a pair of scissors. They also have a bin where they put their pencil box. Each bin has their name on it. Upon arrival in the morning they are responsible for taking their folders out of their backpack and placing it in their bin. When they complete any papers or craft they have to place it in their bins. I am reinforcing name recognition and teaching them responsibility for their belongings

**Language Arts** – We have introduced letters Aa through Dd, their phonic sounds and sign language. We will be reviewing them this week. Our first story from the Bold Beginnings series will be introduced this week with our friend Taffy Apple.

The sight words will be Run/run and Jump/jump. Once your child has mastered the words and story they will take it home to read to you.

**Motor-** We have been enjoying the weather outside and will continue to have outdoor play time whenever weather permits.

**Concept** - Children were introduced to "jobs" on the shelves and how to work individually on rug mats. We have started to review the calendar and weather daily. We will introduce the numbers 1 and 2 this week. We will continue to compare and contrast items. Last week we talked about the differences and likeness of crayons and pencils.

**Craft and Writing-** We have been completing letter papers and coloring. We will start to address pencil grip and work on scissors skills. We will be using play dough for fine motor.

## SUPER SPECIAL NOTES

Class dismissal has been going very well. Please make sure you display name cards prominently in your car window so we identify your car. Your cooperation is truly appreciated.

## SUPER HERO OF THE WEEK

Each week a student will be selected to be the "Superhero of the Week". A note will go home on Friday for the following week. If it is your child's turn to be the Superhero please fill out the Superhero Cape and return on Monday. This will be their special week!

## SUPERHERO MASCOT CLIFFORD

Each Friday I will be sending home our class mascot "Super Clifford" with one child. Clifford has a journal to write in for your child to record their adventures over the weekend. Clifford is due back on Monday so your child can share their time together. Hope you have fun!

## Superhero Events

Sept 3<sup>rd</sup> – Labor Day No School

Sept 5<sup>th</sup> – Soccer Shots Starts
