September 24-28 Week 6 Theme: Fall

Language Arts

Puppet play will be enjoyed as we sing songs. We'll read some of our favorite books about Fall, such as Falling Leaves and We Love Fall. The flannel Board will come to life as we read Five Little Apples and Way Up High in the Apple Tree. We will enjoy music and various fall fingerplays.

Concept

This week we will talk about the changing seasons. We plan to enjoy plenty of fresh air as we head outdoors on a nature walk. In our very own backyard the children will look for acorns and begin to notice the changing leaves. Ms. Sara has a sorting game planned that has the children separating yellow and green leaves. If you would like to donate a pumpkin or gourd to our science table feel free, we love to explore. Your child is also welcome to bring in different colored leaves.

Motor

Mrs. Christine will bring the ball out to help the children learn to catch and throw. Mrs. Nicole will have the children practice the stairs, as she helps them alternate feet going both up and down. Ms. Sara will work on getting their little legs running.
