Week 5 September 17th-21st, 2018

Theme: A Trip to the Zoo

Language Arts:

Calling all zookeepers, lets go and explore the animals at the zoo! Some animals live in trees, caves, and even underwater. Did you know that a zookeeper has a special job? They feed, train and take care of all the animals. Our featured flannel board stories are "The Polar Bear", and "Going To The Zoo". Learning the letters uppercase and lowercase Aa this week will be a fun challenge!

Concept

We're on the way, we're on the way to the zoo! What cool animals are we going to explore? Baby and mama animals, big and small oh what fun we will have with all. Matching baby animals with mama animals, as well as learn uppercase A and lowercase a will be added to our concept shelf.

Craft and Writing:

Let's unleash our wild side this week as we create some of our favorite zoo animals. We will also collage our new letters uppercase and lowercase Aa.

Motor:

Our little ones will have a chance to complete log rolls, as well as the dancing mat and a hula hoop path. They will also have fun as they play block bowling that will incorporate our review. The children will enjoy pretending that they are zoo animals as they make the motions and sounds like their favorite animal.

Finger play of the week:

"Going to the Zoo"

If you're going to the zoo think about who will greet you. The zookeeper first, to say "hello" (wave). Monkeys wave from the trees (pretend to hang) while hippos wade in water below (side to side movement). Elephants stomp and swing their trunks (do motions). The camels too with 1 & 2 humps. Enjoy your visit say good-bye to your friends (wave). We're sure you'll want to come back again.

Have a ZOO-rific Week !!
